S.M: (In a thinking pose) hmmmm.... First!! This song is called "Eyes popping song" if you search in google it will come out but that is wrong. If you do what google teaches you than you will only see trash. Now! Lets start. ok it is easy just face the south and sing and dance like this "Hii aya hiiitahhahey"

C.W:"Hii aya,hiiyahhahey"!

Narrator: Her eyes flew toward the south like the skeleton man.

C.W: "Hep owiy!" I can see all the game!

Narrator: The coyote woman got excited and slowly began to move. It took a small amount of time until she faced the north.

C.W: Now it's time for my eyes to come back. Come to mama!

Narrator: However, her eyes didn't come back!! Why????!?!? you'll find out! kkkk

C.W: OMG!!! Why aren't you coming back? (jump angry) Why Why Why?!?!?!?

C.W: hurlll! I know what happened my eyes came back but they lost their way to my face!.

Narrator: However, the truth was that she was no longer facing South.

C.W: I should find my little cute eyeballs before it is dark!!

Narrator: She kneeled down and began to feel around for her lost eyes.

C.W: Yayyyy!!! I found one!!!!!!!!! (find one in the right) I found another one (find on in the left) But they are kind of big.... oh well who cares. Here we go!

Narrator: She placed her 'eyeballs' to her eyes.
